

With the uncertainty of the new tablet/printer rollout, and your continued reliance on the existing handheld/printer... **You're gonna need reliable, expert support for a while more.** Plus, we'll give you credit on your unused DCS service if you have to convert too soon.

**So you've got nothing to lose in the in-between, and everything to gain.**

### POAA Support Hotline

Expert, Friendly, Technical Phone Support for your devices starting at 7:30am to 4:00 pm EST

### Advance Exchange Portal

Dedicated Portal to request same-day shipment of Replacement Devices so you're never down for long.

### Comprehensive Device Repair / Replacement Devices NOW

Device Repair when you need it, with fast turn-around, or additional printers and handhelds at super low prices.

### Batteries, DEX Cables and more

Printer supplies, device batteries, replacement DEX cables... all in stock now, ready to ship.

Service Fee per Route is \$145.00 for POAA Platinum Members and \$175.00 for all other POAA Members

**DEX Cables \$135 | Vehicle Chargers \$140 | Printers \$300 | HHC's \$500**
