

Are you tired of not getting support on your printer and HHC when you need it?

Need Service, DEX Cables.
HHC's or Printers to run your business?

Call DCS... we're
here to help!!!

One call to Anne means you're
up and running again...

Especially while PF is still trying
to make sense of the new
Tablet/Printer conundrum.

You'll never pay for something you
can't use, or don't need.
